How to Change your Bottom Thirds

1. In Layer 3, click on your Bottom Third shot
2. Go to your Bottom Third Tab or Double Click on the Playlist
3. Click on the Teams Shot
4. Click on your 2 arrows on the left side of Wirecast
5. Go to Shot Layers
6. Click on the Just Text shot you want to change
7. Click on the 3 dots in a Circle
8. In the Text box Change the Team names to reflect the teams you are playing
9. Repeat Steps 4-8 for the Gym and Town Shots updating each to reflect the Proper Gym Name and Town Name respectively
10. If you stay in the same gym, you will not have to change the Gym shot every time
11. If you do not travel to away games, you will not have to change the Town shot.

How to set up bottom thirds for concerts or special events.

1. Go to Layer 3 where your bottom thirds are.
2. Right click on your bottom thirds playlist and duplicate the playlist using duplicate shot.
3. On the duplicate playlist, right click on the playlist and go to delete playlist. (You do not want to delete all the shots in the playlist, just the playlist so it breaks the playlist into individual shots.
4. Delete the duplicate gym, town shot and any bottom third ad.
5. Use your duplicate teams shot to put your event name on and run that teams shot during the concert/special event.
